

## SUMMER CAMPER INFORMATION 2026

**What is the cost for summer camp?** There is no cost to our campers or our Camper Agency Partners.

**Who can go to camp?** Children between ages 7 - 12 who have been approved to attend camp by your agency staff representative.

**How does my child get to camp?** Transportation is provided by staff from your agency to/from camp. Our camp address is 126 Lighthouse Way, Talking Rock, GA 30175 (an hour from Atlanta).

**How long is the summer camp session and what do they do at camp?** Campers arrive on Tuesday mornings and stay at Camp Lighthouse until Thursday afternoon. We have fun, swim in the lake, eat meals together, attend chapels, sing songs, enjoy time together outside and playing in our gym.

**Who will be taking care of my child?** Each camper is assigned their own counselor who is responsible for keeping them safe and making sure they have everything they need during camp.

**What if my child doesn't know how to swim or is afraid of the water?** During camp, we will have multiple lifeguards on duty at the lake. Each camper will be swimming with their counselor. We **require** all campers and counselors to wear a lifejacket, regardless of their swimming ability. A lifejacket will be custom fit to your child. Your camper will only do what they feel comfortable doing.

**What if my child has allergies or a special diet?** On your registration form, there is a space for you to write about your child's dietary needs, as well as any allergies they have. Our camp cooks will make accommodations as needed to ensure your child is well fed.

**What if my child needs medications or gets sick?** We have a registered nurse on campus during camp. The nurse will monitor each camper's health, address any injuries or illnesses, and dispense prescription and over the counter medications. There is space on the registration to give the nurse all of your child's medical information. If on the day your child is leaving for camp, he/she is not feeling well or has been exposed to illness such as Covid or Strep Throat, we ask that you keep your child back.

**What are the bedrooms and bathroom like?** Check out our camp property at [www.camplighthouse.org/map](http://www.camplighthouse.org/map). Campers stay in rooms with multiple campers and counselors. Counselors will monitor bathing and changing times to ensure that campers have privacy and safety.

**How can I stay informed about Camp Lighthouse?** You can follow us on Instagram or Facebook at [www.camplighthouse.org](http://www.camplighthouse.org) or email Carrie White at [carrie@camplighthouse.org](mailto:carrie@camplighthouse.org).
